

Schedule Summer school in “Cognitive Foundations of Decision-Making”
Campus Tweekerken, Tweekerkenstraat 2, 9000 Ghent, Belgium
30 June – 4 July, 2025

	Monday, June 30	Tuesday, July 1	Wednesday, July 2	Thursday, July 3	Friday, July 4
09:00–10:30	Arthur Robson	Rava da Silveira	Elise Payzan-LeNestour	Ferdinand Vieider	Adam Sanborn
10:30–11:00	Coffee break	Coffee break	Coffee break	Coffee break	Coffee break
11:00–12:30	Arthur Robson	Christian Ruff	Elise Payzan-LeNestour	Ryan Oprea	Adam Sanborn
12:30–13:30	Lunch break	Lunch break	Lunch break	Lunch break	Lunch break
13:30–15:00	Rava da Silveira	Christian Ruff	Ferdinand Vieider	Ryan Oprea	FREE
15:00–15:30	Coffee break	Coffee break	Coffee break	Coffee break	FREE
15:30–17:00	Student pitches	Student pitches	Student pitches	Student pitches	FREE
	Welcome drinks			Joint Dinner	

Modules:

Rava Azeredo da Silveira

Neural Coding, Cognitive Representations, and Decisions

Ryan Oprea (*University of California at Santa Barbara*)

The Cognitive Revolution in Economics

Elise Payzan-LeNestour (*UNSW Business School*)

The Neuro-Biology of Financial Decision-Making

Ferdinand Vieider (Ghent University)

Bayesian Inference and Noisy Cognition

Arthur Robson (Simon Fraser University)

Biological Foundations of Economic Behavior

Christian Ruff (University of Zurich)

Neural underpinnings of Decisions

Adam Sanborn (University of Warwick)

The Sampling Brain and its Implications

Paper Pitch

Session I	Session II	Session III	Session IV
